I hope everyone had a great summer!

Thanks to all the summer volunteers who helped keep the club busy during the slower summer months with tournaments, entertainment, and meals. Job well done! Thanks to the members and guests who came out to support and enjoyed themselves.

The back area looks great, featuring a new patio with a guardrail and a smoking platform located around the side of the building. NO smoking on the patio, please use the designated space for smoking, and put your cigarette butts in the provided container.

Both the Treasurer and Grounds Chairperson are in their last year on the executive and would like to see someone step up for their positions. Take this year and learn about the duties and specifics of each position. If you are interested, please talk to Lyle Ball, Gerrie & Bill Arthurs, or one of the Directors. It's a great club to be part of and a good group of volunteers on the executive.

Our next General meeting is scheduled for Wednesday, September 25th, with a steak dinner before. Our next daytime General meeting is Sunday, October 26 with a brunch before. Watch for notices for both meetings and meals.

Leagues are starting in September and October. Posters and sign-up sheets are in the gangway. Reminder, leagues are for members only, and please, if you sign up for a league or tournament, show up! Good luck to all participants and have a great year!

The annual RCNA Sports Day is being held at the Kitchener Navy Club on Saturday, September 20. Good luck to all our members who are participating. Let's bring home "the Cock of the Walk" this year.

Bryan Bucholtz

Past President

I hope you had a good summer!

On Thursday, August 14th I was given the opportunity to represent the Navy Club at a City Council meeting to report what has happened with our pond and to ask them to do the right thing and fix it. Council approved a motion to have a proposal prepared and submitted to council by the September meeting, so it to be reviewed by council to approve a solution and the budget for it. We asked the City to work us, to include us in finding a solution. We have members with extensive knowledge about the pond, and the city needs to recognize working together is the best path forward.

Updates will be provided in future reports and at our next general meeting.

loss of 2 officers and 17 men.

We must never forget their sacrifice

.....

The History of the OTTER

On 26 March 1941, she was destroyed by an accidental explosion and fire, near Sambro Island just off Halifax. Two Officers and 17 men were lost.

On the morning of 26 March 1941, as the OTTER sailed only 24 nautical miles from Halifax, an explosion and a fire ripped through the vessel. Soon the crew of the steel-hulled, but wooden superstructure, vessel recognized that the fire was too much, and the captain ordered them to abandon ship. The crew barely fit into the two lifeboats and one Carley float. Rescue was close at hand, as a Polish freighter and a Royal Navy submarine were nearby. However, due to the extremely heavy seas, rescue proved to be very difficult. In fact, one of the lifeboats was flipped by an unusually large wave when a Polish freighter came alongside. The already waterlogged sailors were flung into the icy water, and some were never seen again. Once they were rescued, some were in such bad shape they never even survived the trip into Halifax, despite the efforts of the Polish merchantmen who took turns applying artificial respiration and trying to warm the men.

A British Submarine also found the Carley float with 15 men on it. However, by the time they rescued the men only four were still alive.

Membership

membership@ocnva.ca

Welcome back to all our members and I hope that everyone had a safe and enjoyable summer. I am looking forward to working with the new Executive as Membership Chair for another year.

Although we do not host the General Meetings for the two months in the summer, the Executive continues to meet and as part of their duties, review and approve new applications for club membership. For the June and July meetings, we approved the 10 applications for each month, and I am pleased to report that all of those applicants have now paid their membership dues and come on board for the remainder of the 2025 year. This has increased our total membership considerably and we are now very close to our maximum number of members. The membership sign in book is in good shape for this time of the year and over 60 % of the members have already attended a General Meeting and have signed in the book.

Being so close to our membership cap means that I will now effectively freeze the waiting list until the end of January 2026. At that time I will know how many members have renewed their membership for 2026 and how many new members I can bring on board in February. In the interim, I will be contacting members that are residents in Oxford County and have not yet attended a General Meeting to determine if they still wish to be members.

Although the waiting list is temporarily frozen, all membership applications are maintained on a master list, tracked by membership category and date applied. The list is currently at 50 outstanding applications and I hope to be able to clear some names off the list in February 2026.

I look forward to seeing all the members in the club and for any membership questions, I can be contacted by email at membership@ocnva.ca and I will respond as soon as I can.

Treasurer

The financial statements will be posted in the gangway for any member to have a look at them.

This past summer has been a very busy one at the Navy Club. New decks were constructed, a new front entrance was installed and the pantry area near the galley was given a much-needed face lift, new flooring installed, shelves were reorganized and the overall area cleaned up. Thank you to ALL the volunteers that made these various projects successful and made our Club look even better than it already is. Next on the list of projects is the new curb at the front dais where the monument and flagpole are located.

As the summer months are slowly coming to an end and the fall months are upon us, it's time for us to begin thinking about things ramping up at the Navy Club. The various leagues and activities will be starting up again. Be sure to sign up, get involved and support the Club. Your support is what enables the Club to do the various upgrades and expenditures required.

I also want to thank Karen Sutherland for the excellent job she did presenting our low-water level pond situation to City Council at the Council meeting on Thursday, August 14th. Karen made a very good power point presentation to all present and in the end, it forced Council to do something about our pond now, not sometime next year. Thanks again Karen.

With this being my final year as the position of Treasurer, it's imperative that we find someone to step up and into this position for the next year. Feel free to reach out to me or anyone on the Executive.

Wishing everyone a safe and Happy Labour Day weekend and Happy Grandparents Day on September 7th to all the grandparents in the Club.

Crossing the Bar

Sunset and evening star, and one clear call for me!
And may there be no moaning of the bar, when I put out to sea,
But such a tide as moving seems asleep, too full for sound and foam,
When that which drew from out the boundless deep, turns again home.
Twilight and evening bell, and after that the dark!
And may there be no sadness of farewell, when I embark;
For tho' from out our bourne of Time and Place,
the flood may bear me far,
I hope to see my Pilot face to face, when I have crossed the bar.

Hope everyone got through the hot summer without any ill effects. Looking forward to getting back to business as usual at the Club.

Directors

On behalf of myself Rick Dentremon, Bob Roloson and Brenda Wilson, we would like to welcome our new executive members and looking forward to working again with last years Executive members.

A special thanks to our Past President Karen Sutherland for her great leadership the past few years, we are glad she is still on the executive as we can continue to use her expertise.

The resource committee is an extension of the executive with only a few executive members to handle complaints and recommend discipline for members out of order.

Our members are very respectful to our by-laws and only a few disciplinary letters had been issued last year. Not bad for 900 +members and hoping for no letters this year..... but if someone is acting up, there are complaint forms behind bar and resource committee will review and proceed according to complaint.

We have had a great term with our building projects this year on our building, but we still need to work on our pond issue trusting our new President will keep on it.

Thank You

Loaded Mashed Potato Cups

- 1 tube of Pillsbury Crescent rolls
- 2 cups leftover mashed potatoes, room temperature, or instant mashed potatoes (cooled)
- 1 1/2 cups cheddar cheese, shredded
- 3 tbsp Ranch dressing
- 4 slices of bacon, cooked and crumbled, divided
- 3 tbsp chopped green onions, divided
- 1/4 cup sour cream

Preheat oven to 350 degrees F.

Unwrap Pillsbury crescents and separate into 4 rectangles. Pinch the seams closed, and cut each rectangle into 8 squares (32 squares total). Lightly spray a mini muffin tin with non-stick cooking spray and gently press the crescent squares into each muffin cup. Set aside.

In a small bowl, combine the leftover mashed potatoes, cheddar cheese, ranch dressing, about 3/4 of the crumbled bacon, and about 3/4 of the green onions. Stir to combine.

Scoop about 1 tablespoon of filling into each crescent cup. Bake for 15-17 minutes or until the crescents are golden brown and cooked through. Let cool slightly before removing to serving plate. Add a little touch of

sour cream to each cup, and sprinkle with remaining bacon and green onions. Serve warm. Enjoy!
