President

Our club enjoyed a good year in 2025, and I hope we continue our success in 2026

To support your club, and contribute to its success, you should actively participate by attending meetings, events and volunteering for roles or projects. Attending functions is a key way to show support, member engagement boosts the morale of other members, attendance and participation ensure the club is vibrant and productive..... Your attitude and enthusiasm can be contagious.

I would like to give a big thank you to all who helped with the holiday dinners, dances and events. They were all a huge success because of the volunteers who gave their time and effort as well as the members, along with their guests, who came out to support their club. Thank you to everyone!!

Wednesday, January 28th, is the last General Meeting of the 2025 membership year.

If you have not attended a meeting in the past year (2025) or have not contacted the membership chairperson, you will be suspended for the 2026 membership year! You will NOT be permitted into the club for 1 year.... You cannot attend any functions or events even as a guest.

GET YOUR MEETING IN FOR 2025 on Wednesday, Jan 28.

Bryan Bucholtz

Past President

Welcome 2026! I hope everyone had an enjoyable holiday season.

2025 was a year filled with lots of entertainment, activities, and some new renovations/upgrades.

The year ended with the Kid's Christmas party, which was a great success, thanks to Tracy Gielen and all the volunteers that made that happen. We are always looking for volunteers and if you are interested in becoming a volunteer reach out to an executive member to find out how you can sign-up. Let's have another amazing year!

This meeting is dedicated to.....

Motor Torpedo Boats

On the afternoon of February 14, 1945, disaster struck the Canadian 29th Motor Torpedo Boat flotilla during the Second World War. In advance of a patrol that night, many of the sailors were asleep on their boats docked in Ostend, Belgium. Spilled fuel that had ended up floating on the surface of the harbour suddenly ignited and, before an alarm could even be raised, a raging fire quickly spread amongst the closely moored vessels. Fuel and ammunition supplies exploded as boat after boat caught fire. Many of the men were trapped on board and had no escape as even the water was aflame. By the time it was over, the 29th flotilla had lost 26 Canadian sailors and five of eight of its vessels were destroyed.

We must never forget their sacrifice

The MTB crews had an extremely dangerous job – their boats were small, the seas of the English Channel were rough and German guns and mines were never far away. To commemorate the disaster of February 14, 1945, the Oostende Naval Memorial to the Canadian 29th Motor Torpedo Boat Flotilla was erected on land donated by the city of Oostende near where the fire occurred. Made in Nova Scotia and funded by Royal Canadian Navy Associations, the 2.4 metre-high granite monument bears a picture of a motor torpedo boat and the names of the Canadians who lost their lives. Two granite benches face opposite sides of the block monument which was dedicated on May 8, 2003. A memorial service is held each year on February 14 – the anniversary of the disaster.

Membership membership@ocnva.ca

The New Years Day Levee heralds the start of the busiest time of the year for the Membership Chair and 31st January is the cutoff date for payment of the 2026 membership dues, this year with no exceptions.

Unlike other service groups, the Oxford County Naval Veterans Association is a private club for the benefit of its members and as members, we all have responsibilities to the club. For membership that means for members living inside the boundaries of Oxford County, attendance of at least one General Meeting each year, signing the book to prove attendance and payment of membership dues on or before 31st January each year. If you are unsure of your membership status and need clarification, please contact me at membership@ocnva.ca or check the list that will be posted in the gangway.

On 1st February 2026 I will be printing the final membership listing ready for 2026 and for any members that are found to be delinquent in attendance or payment of dues, their membership will be cancelled, their membership numbers will be reassigned for new member applications, and they will be subject to a one-year ban from the club.

As I prepare for the printing of the final membership list, I would again ask that if you know of any members that are unable to attend a General Meeting through illness, mobility, work schedules etc. to please let me know as I still have time to mark the book accordingly. The same applies for any members that have been unable to pay their 2026 membership dues for similar reasons and to please let the club know.

2026 promises to be another exciting year for the club and I look forward to seeing all the members throughout the year.

Dick Henshall

When attending a General meeting for the first time in the year, please make sure you sign the attendance book and get your card stamped for proof of attending your yearly meeting.

To ALL the volunteers and contributors that made the Kids Christmas Party a huge success, thank you! It's always fun to watch all the little ones involved with the various crafts and of course the main attraction, Santa & Mrs. Claus. It was a great day enjoyed by all that attended. The end of 2025 is upon us and as we start a new year, please be sure to come out and support the Club. There will be lots of activities at the Club with all the various leagues starting back up after the Christmas break. Some of the other events that will take place, just to mention a few, will be the Colour Party Horse Races and be sure to sign up for the Navy Club Bonspiel that will take place on February 21st as well as the Winter Games Day that will take place on January 31st. Sandra does an excellent job of keeping all of us members posted as to what events are happening and when they are scheduled to take place.

We need volunteers to step up and help with Saturday lunches. The signup sheet is in the gangway, support your Club and sign up.

In regard to the pond, now that the inspection wells are drilled and put into place on November 26th, we hope to be hearing something back from the City's consultant on their findings and recommendations to make good the low water level in our pond. When I hear more, hopefully sometime mid to late January, I will be sharing this with everyone.

Wishing everyone a Happy & Healthy New Years and all the best in 2026.

Sport's Chairperson

Welcome to 2026! It's a well-established fact that social interaction is a great way to stave off the winter blues and lift the spirits. We have a great, inexpensive way to do just that here at the Club. We have many opportunities for the members to come out and interact with each other with shuffleboard, darts, snooker, pool, corn hole or any of the other table games available in the games room. I encourage the membership to come on down and have some fun. There's a sports day happening on Saturday, January 31. It's open to all members to sign up for. It's always a great day for the participants and onlookers.

As always, a sign up sheet will be posted in the gangway.

**Welcome
2026**

To the memory of those stout hearts, our shipmates and
messmates who have not returned and will not be returning
from the dark waters.

Somewhere in those unlit depths today they lie,
a torn steel hull their sepulcher, am ocean floor their abbey.
One remembers them not alone for the gallantry
of their sacrifice, but too because somehow
one's own life seems the richer for
having known their friendship
