President

Welcome to the Executive for the 2024 – 2025 term. Thank you to the existing executive members for your continued dedication and support. To our new members, thank you for signing on.

Thanks to the shuffleboard leagues for the funds, they donated to help with the cost of refinishing the shuffleboard table.

Thursday Morning Senior Men Shuffleboard League \$500.00

Monday Ladies afternoon Shuffleboard League, \$200.00

Tuesday Ladies afternoon Shuffleboard League \$100.00

Thursday Night Mixed Fun Shuffleboard League \$100.00

Saturday Afternoon Men's Shuffleboard League \$300.00

Total donations of \$1200.00! Great Job!

The Colour Party donated \$100.00, a fishing pole, a tackle box and lures toward the Mother's Day Fishing Derby and the Woodstock Police Association donated \$500.00. These donations were in addition to the Grant we received from the Ontario Federation of Anglers and Hunters (OFAH). This generosity allowed us to stock the pond and buy fish food for both the Sports Committee's Mother's Day and the Kids and Kops Fishing Derby and 2 Veteran fishing outings for the Parkwood Institute's Veteran's Care Program residents.

This is at the heart of what our club is all about! Thank you.

July and August are typically slower months. Wouldn't it be nice to change this? Keep the club in mind over the summer months. Invite a friend to come down and join you to enjoy a cold drink on the patio.

Your continued support is appreciated! Have a wonderful summer and cheers to a great rest of the year.

Karen Sutherland

Summer is here andWe have a dress code.

We are a service club originating as a place for Veterans to gather and share in a comradery unique to their experiences as members of the Royal Canadian Navy. It has changed over the years as societal norms become less formal. However, as a way to continue honouring our Veterans, past & present, we wish to continue to have requirements of our members to show their respect for the freedoms we enjoy. One of those things is a dress code.

You and your guests are expected to follow our dress code and will be asked to leave if you do not.

NO Hats (head coverings for medical reasons or religious requirements are acceptable).

NO Halter tops / halter dresses. NO "spaghetti straps", preference is to have shoulders covered, NO muscle shirts.

NO Belly shirts. Tops need to cover your midriff. Shirts showing your stomach are not acceptable.

NO Short Shorts. Shorts, skirts, skorts, and dresses need to come to mid-thigh at a minimum. No short shorts or mini skirts!

NO Bathing suits, board shorts, bathing suit cover-ups, or other beach attire.

MAKE SURE YOU YOUR GUESTS FOLLOW OUR DRESS CODE!

This meeting is dedicated to

HMCS Alberni

21, August 1944

Alberni was torpedoed and sunk by U-480, in the English Channel. 59 crew were lost after the torpedo struck the warship on her port side immediately aft of the engine room, causing her to sink in less than a minute.

We must never forget their sacrifice

=====

At 11:45 on August 21 she was steaming south at fourteen knots in fair weather. "Hands to Dinner" had just been piped. Four minutes later, with no sonar warning whatsoever, she was hit by a torpedo fired from U-480 on her port side just aft of the engine room. In less than 10 seconds she was awash from the funnel aft, listing to port and sinking fast. In another twenty seconds she was gone, sinking stern first. Most of the off-watch hands were trapped in their mess decks, and only one stoker escaped from the engine and boiler rooms.

There was not even time to release Carley floats, and men, many without time to put on life belts as the ship foundered had to cling to odd pieces of debris.

Lt. Frank. Williams was awarded the Royal Humane Society's bronze medal for his work in saving members of the crew.

31 crew members were rescued by Royal Navy motor torpedo boats (MTB)

Membership

As Membership Chair for this current executive, it has been a very challenging year, and a big thank you must go to the staff in the office for all the work they have performed in supporting and further integrating the membership details into the Clover computer system. This year, we have seen and worked through some interesting problems but the reports that we can now get from the system show that this is the way of the future.

June means the start of a new executive year and a new set of challenges and I would like to thank all the members of the past executive for their support and understanding over the past year and I hope to continue with membership for another year.

As we get into the warmer weather, the membership applications have slowed down considerably and for the meeting this month, I only have 7 new member applications to process. In most cases, I have contacted the applicants and they are all eager to become club members and join in the club activities.

Unfortunately, several club members have recently Crossed the Bar and they will be sorely missed but overall the total membership is still increasing and has now reached 913 members.

The breakdown of the numbers is :-

Navy – 25 members

Associate – 31 members

Affiliate – 410 members

Social – 420 members

H/L/P – 27 members

It is great to see that to this date, close to 450 members have already attended their meeting for 2024 and have signed the book and had their cards stamped. Just a reminder here that if you are a resident of Oxford County, you must attend at least one General Meeting each year to maintain your membership status.

I wish all the members a safe and enjoyable summer and look forward to seeing you all in the Fall.

Dick Henshall

Reminder;

If you are a Social member and have or had a parent or grandparent in the Armed service, please submit their service number to me so we can make room for more Social members. If you don't know how to obtain the number, contact.

The May financial statements are posted in the gangway for everyone to review. Please note that the financial statements will be posted in the gangway for June, July, and August during the summer months.

The Kids with Cops Fishing Derby was held on Sunday, May 26th and the weather cooperated for this event. The WPS did a fantastic job hosting the kids and families around the pond.

I would ask that everyone continues to support the numerous functions which are planned for the summer in addition to the entertainment that George secures for our enjoyment on the patio. We need to have successful functions to help us continue to operate. Please be sure to come out to support the various events at the Club during the summer months.

Wishing everyone a safe and happy summer. Looking forward to seeing everyone at the Club during the summer months and when we are back in full swing in September.

Bonnita was absolutely amazing. From start to finish. She was friendly, knowledgeable outgoing, and positive. Bonnita was extremely quick to respond to calls or texts while also letting you know well ahead of time when she may be slower to respond. The knowledge on site visits was truly helpful as Bonnita would point out benefits and shortcomings I would have never seen or thought of. As a first time home buyer, the experience was made easy and enjoyable through Bonnita's great personality and professional skill set. I could not have had a better entry into the market. I would absolutely use Bonnita again and 100% recommend her to anyone in the market.

Colour Party

Summer is upon us and we will be enjoying it.

Here are a few notes on where we have marched in the past 2 months:

The Battle of the Atlantic parade and ceremony, Victoria Day parade, and D-day parade at the Woodstock Legion.

We are honoured and proud to say Bob Brown's granddaughter Amelia was on Juno Beach for the D-day services this year. She was very close to Prince William and also said that it was a very emotional experience and it brought tears to her eyes. She also brought home some sand for her grandpa and grandma from Juno Beach. The picture is of her looking out at the waters at Juno Beach, holding a rock with shrapnel in it.

I have enclosed some pictures from The Battle of the Atlantic parade and ceremony, the Victoria Day parade, and the D-day parade. We do want to thank the people who come out to watch us and hopefully, in the future, more will come out.

We wish everyone a safe and happy summer and we will see you all in the fall.

RECIPES

Cowboy Butter

½ cup unsalted butter

1 tbsp dijon mustard

1 tbsp fresh chives, chopped

1 tbsp fresh parsley, chopped

1 tsp lemon juice

2 tsp fresh thyme, minced

2 tsp garlic, minced

½ tsp paprika

¼ tsp kosher salt

1/8 pepper

1/8 tsp cayenne pepper

1/8 tsp crushed red pepper flakes

In a medium bowl, add the softened butter, dijon mustard, chives, parsley, lemon juice, thyme, garlic, paprika, salt, pepper, cayenne, and red pepper flakes. Mix together until combined. This will make about ¾ cup of butter. (You could also mix the ingredients in a food processor.)

To make a compound butter: Scoop the cowboy butter onto a piece of plastic wrap. Roll the butter into a log shape, pressing and shaping as you go until the butter is completely wrapped in plastic. Twist the ends of the plastic wrap together and refrigerate until firm (2 hours up to overnight).

*To make a butter dip: Melt the mixture in the microwave in 20-second increments, stirring in between, until fully melted.

Store in the refrigerator in an airtight container for up to 5 days.

Ingredients

Butter: If you use salted butter, you may want to reduce or eliminate the added kosher salt.

Mustard: You could also use yellow mustard if that is what you have on hand. It will just slightly alter the flavor.

Fresh Herbs: Both fresh parsley and fresh thyme are added to the butter. If you only have dried herbs, use about a teaspoon of each (as opposed to a tablespoon of fresh).

Lemon Juice: There is just a hint of lemon flavor in the butter. But on any meat, fresh lemon juice is a must!

Spices: You will need paprika, salt, pepper, cayenne pepper, and crushed red pepper flakes. The cayenne and red pepper flakes do not add too much heat, but you could leave them out if preferred.

JoKE:

A mother was driving a little girl to her friend's house for a play date. "Mommy?" the little girl asked. "How old are you?" "Honey, you are not supposed to ask a lady her age," the mother replied. "It's not polite.." "Okay", the little girl said. "How much do you weigh?" "Now really!" the mother said. "Those are personal questions and are none of your business." Undaunted, the little girl asked, "Why did you and daddy get a divorce?" "That's enough questions, young lady. Honestly!" The exasperated mother walked away as the two friends began to play. "My mom won't tell me anything about herself," the little girl said to her friend. "Well," said the friend, "all you need to do is look at her driver's license. It's like a report card, it has everything on it." Later that night the little girl said to her mother, "I know how old you are. You're 32." The mother was surprised and asked, "How did you find that out?" "I also know that you weigh 140 pounds." The mother was past surprised. She was shocked. "How in heaven's name did you find that out?" "And," the little girl said triumphantly, "I know why you and daddy got a divorce!" "Really?" the mother asked. "Why?" "Because you got an F in sex.
