The club continues to be busy and filled with activities. The Soup-er Bowl cookoff was a huge hit and very well-attended. We had 11 contestants put their hard work into creating their recipes for the competition. Thanks to all involved for organizing and making such delicious soups. Congratulations to the winners!

Regarding our pond, I met with the City of Woodstock with our House chairman, Peter Keith. It was a tense discussion, but it was clear to all involved that the City made a mistake and then demonstrated poor judgment in the way it was handled. In the end, the City advised they were seeking assistance from their contractor for a solution and we will continue to monitor the situation.

On a positive note, we were nominated by the Woodstock Accessibility Advisory Committee for the Donna Burleigh Accessibility Achievement Award for our new universal washroom and other accessibility features we have. I am pleased to say that we won the award, which is being presented at the City's next council meeting on Thursday, February 20th. We should be very proud of this award. It validates the work done and adjustments made to accommodate the space for our new washroom. Great job!

March brings St. Patty's Day celebrations which is always a big hit at the club. Mark your calendars as we are hosting the next daytime General Meeting on Sunday, March 30th at 12:30 with breakfast before the meeting. Get your meeting in early and then it's done.

## HMCS LEVIS

On September 19th, 1941

HMCS Levis was hit by one torpedo while escorting a convoy. She initially survived the torpedoing but sunk later that day while under tow.

18 were killed as a result of the torpedo attack and 91 crew were rescued.

"Levis" was the first Flower class corvette to be sunk.

## We must never forget their sacrifice

### WW2 WEAPONS

#### Depth Charges

The most common anti-submarine weapon of World War 2. It is intended to destroy a submarine by being dropped into the water nearby and detonating, subjecting the target to a powerful and destructive hydraulic shock

#### Hedgehogs

These were a forward-throwing device which cast 24 projectiles into the water ahead of the ship. These only exploded on contact.

#### Rockets

Small rockets that were fitted to aircraft and used by fighters and bombers to attack-boats.

#### MK.24 Fido torpedo

Air launched acoustic-searching torpedo that was very successful in hunting U-boats.

# Membership

[membership@ocnva.ca](mailto:membership@ocnva.ca)

As happens every year, we always expect our membership numbers to drop slightly at the end of our membership year in January. As Membership Chair, I was very pleased this year to see the large number of members who have renewed their memberships for 2025, attended a General Meeting, and signed the attendance book. Based on our Clover computer system, the system shows that for the 2025 membership year, our numbers have dropped by 74 members that have decided for whatever reason, not to renew their membership for this year. Our current membership has dropped from 941 down to 867 members and the breakdown of the numbers in each category is shown below.

An accurate membership count at year-end is very important as the Club has to pay an assessment for membership in the RCNA and this is based on our February membership numbers. This is the downside of having the largest Navy Club in Canada as with 850 plus members, the Club will again have to pay out a sizeable assessment this year.

There are currently 72 membership applications on the waiting list, some from November and December of 2024. With our membership cap still at 950 members, we now have room to bring a few new members on board although with only 74 memberships available, we will have to continue with the waiting list process.

2025 Membership by category :-

#1 Navy – 22

#2 Associate – 31

#3 Affiliate – 394

#4 Social – 398

H/L/P – 22

I look forward to seeing all the members in the club in 2025.

The financial statements are posted in the gangway for any member to have a look at them.

Our Navy Club has been a happening place and it's great to see all of the support the members and their guests are providing. Keep up the good work with your support, the Club needs it to continue to be a viable organization. There are still lots of events scheduled for the month such as the Colour Party Horse Races continues until the end of March, Sports Committee Italian Night Dinner & Dance, the St. Patrick's Day dance and the different meals that come out of the galley every week and the entertainment that George arranges for us to enjoy.

I want to wish everyone a Happy St. Patrick's Day and please remember, the kids will be off for March break so be aware of them as they are playing outside during this break.

## Directors

The Directors would like to welcome any new members who have been accepted to our private Navy club. We have plenty of organized events, dances, sporting leagues, bus trips, and fellowship. Drop in for a pint with a friend to play shuffleboard, pool, or darts..

In last month's Port and Starboard (February 2025), we listed certain criteria for running for certain positions on the executive and they are also explained in the blue By-Law booklet. Any other questions, ask another executive member.

**Brenda Wilson Rick D'Entremont**

### OCNVA WAR MUSEUM

At the last executive meeting, I brought up an idea of building a mini Naval museum with artifacts including uniforms on mannequins, medals, weaponry, and other naval items. I was a friend of most of the original founding members who started this club and they would have wanted to carry on naval traditions and not turn us into a bar. The executive selected me to chair a committee and start the process. I would hope we could access some grants to pay for it but will not know until we move forward.

The first thing on the agenda list is to make sure we have access to the historical items for display. **We do not want these items now, only a list.** I made an announcement at last general meeting and I only received 2 calls which did not amount to much but it's a start. When I was President, I had people offer uniforms but could not accept due to storage, so had to refuse and do not remember the member's names. Between WW1 and now, there must be uniforms that have been handed down and if they were donated to us would be forever looked after. The naval items do not have to be from our club members, they could be from a neighbour, relatives, maybe some naval guy or gal in a nursing home or another service club might help.

Second thing will be to set up a knowledgeable committee which should be no problem with the members we have at our club.

Third thing, is to follow up on possible grants, if we can get enough naval items. I look forward to this endeavour and will keep you up on any forward movement.

Please contact Rick DEntremont [rdente0370@gmail.com](mailto:rdente0370@gmail.com) or Sandra Lightbody OCNVA Publicity at [publicity@ocnva.ca](mailto:publicity@ocnva.ca) with any possible items or suggestions.

Again, we are not able to accept items until we get farther into the project.

**Thanks Rick D'Entremont**

# Colour Party

Another busy time of the year and we are happy to welcome our newest member, Cheryl-Anne Haber, we are pleased to have you aboard with us

The horse races have been going very well and everyone is having fun. The Colour Party would like to thank anyone who donated door prizes, we appreciate it. Thanks to our volunteers, without them we could not do this. Our 50/50 is going well, we are raising the money to repair the island, in front of the Navy Club.

We are sad to say goodbye to a long-time member of the Colour Party Cecil Williamson. He was one of the founders of the Oxford County Navel Colour Party and he had great pride in doing it. He was always a great supporter of the Colour Party. I did many marches with Cecil , he loved to represent the Navy Club in every function that we did. Such as The Battel Of Atlantic in Goderich, the opening

Ceremonies at a Blue Jays game,, the anniversary in Digby Nova Scotia with his grandson, functions for the city of Woodstock, to just giving his time to the Colour Party in our club. We will truly miss you for all that you have done for us. We will be honouring Cecil in his Celebration Of Life on February 23 at the club.

We are still looking for new members.

We look forward to seeing everyone at the races.
